Dear George:

How in H-1 are you ?

Want to tell you something confidential.
This D-d pos t(not fence post) is hard up
and have got to raise some money or go
hungry.

We are wondering if Himiny is going
to have an Indian Professional Football team
this year. This is a peach of a Football town
and feel sure we could make some money for
them as well as we half starved vets.

Put me next if you know any thing.
Will sure appreciate it.

Give my best regards to the "Gang".

Thanks a lot.

O.R. GREGG
