Tulsa, Oklahoma,

Dear Sir,

We have an open date of November 28th, that we will hold for another week or ten days before deciding definitely between your club and two others who want to play here on that date.

The best proposition we can offer is \$2,000.00 guarantee with an option of 30% of the gross gate, but inasmuch as we would undoubtedly fill our stadium, with a game of this sort, on a 30% basis you would net better than \$6000.00

If this is interesting to you please advise me as quickly as possible so that we may make a definite decision at this end.

Very truly yours,

PROFESSIONAL SPORTS ENTERPRISES, INC.

*Harry Myers*  
Secretary.
